观点 × History

I believe that ...

Do you **think** learning history is important?

回应+观点+原因+举例

Oh, yes. I reckon that learning history is crucial because I find it quite interesting. You know, there are a lot of intriguing historical events in the past, and I can learn many good lessons from them for me to avoid making the same mistakes in my life. (that's it)

观点 × T-shirts

I believe that t-shirts are comfortable to wear and convenient to clean.

Do you think older people who wear t-shirts are fashionable?

回应+观点+原因+举例

Um..., to be honest, not really. I believe that t-shirts are comfortable to wear and convenient to clean but it has nothing to do with fashion, especially for the older people. **The reason is that** I find their t-shirts quite dull/boring in terms of colours. **I mean**, there are always single colours on their t-shirts **such as** black, white, red, and so on.

观点 × Laughing

I believe that ...

Do you think you are a funny person?

回应+观点+原因+举例

Oh, of course, I'm sure that I'm a funny person, because I can always bring happiness and laughter to my family and friends. (I always find my family and friends happy and laughing **when** they're around me.)

观点 × Talents

I reckon that ...

Do you think your talent can be useful for your future work/study? Why?

回应+观点+原因+举例

Yes, for sure! I reckon that I'm a little gifted in **, because I find it easy to learn anything in that field with no sweat. For example, it only took me ** to finish my first **, while others spent over a year to complete the job.

观点 × School

I reckon that ...

Do you think your school is a good place to study?

Certainly! I have to say that my school is one of the best in my hometown, because I find its facilities incredibly advanced and up-to-date. For example, **.

观点 × Dreams

I reckon that ...

Do you think dreams have special meanings?

Oh, definitely. **I believe that** they do have some interesting meanings, sometimes even omens of future events, **because I find them** incredibly closely related to what happens in our life.

观点 × Keys

I reckon that keys are necessary for our daily life because it's a classic way to have access to various places such as doors, rooms, and so on/open doors to many places such as my home, my locker, and so on.

Do you think it's a good idea to leave your keys with a neighbour?

No, of course not, I strongly believe that it's a terrible idea to leave my keys with my neighbour, because I find them untrustworthy.

观点 × Breakfast

Do you think breakfast is important?

Yes, definitely! You know, I have to say that it's necessary since it's a great way to provide me with nutrients such as protein, vitamin, and so on. That's why I have it every day.

观点 × Internet

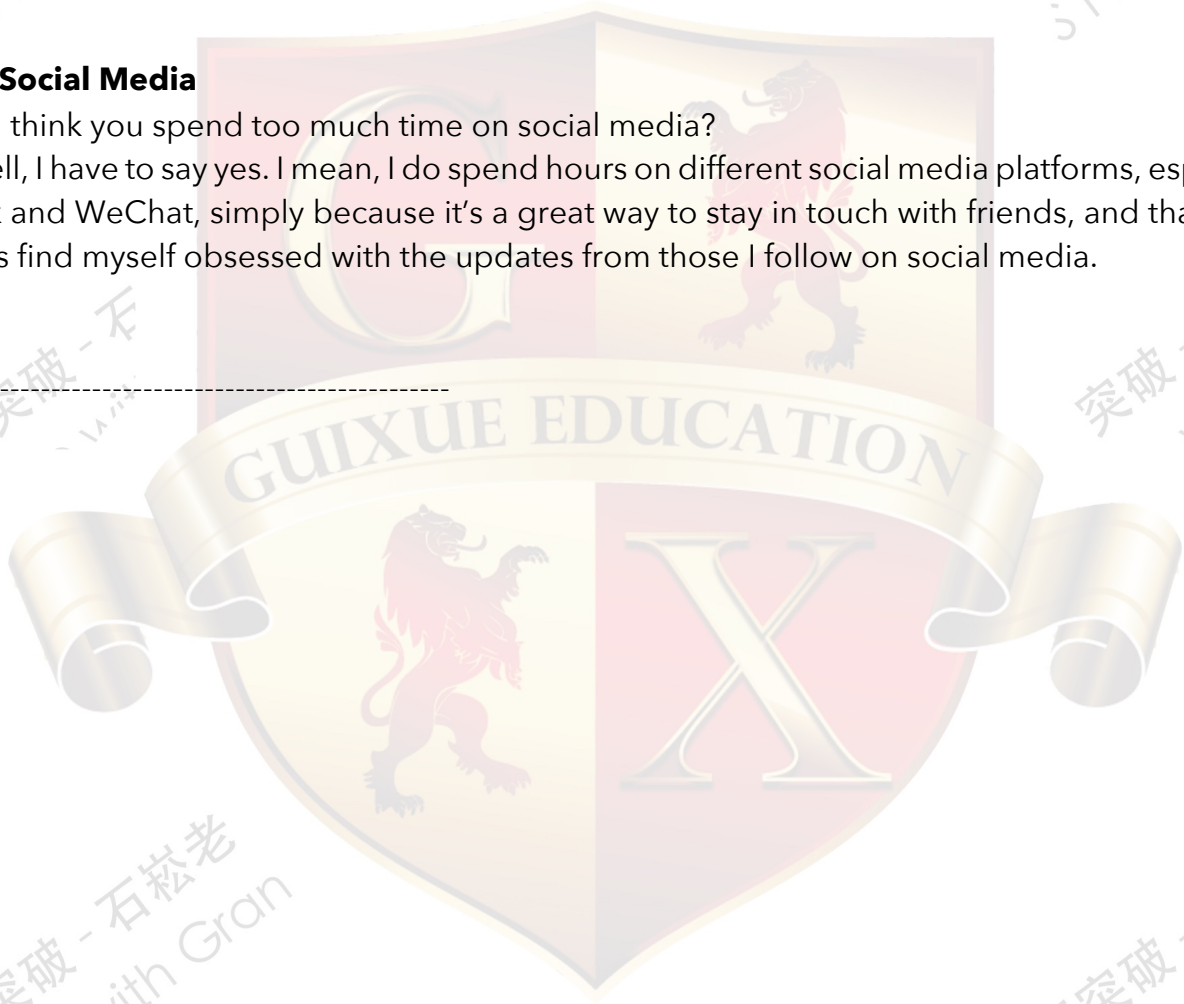

Do you think you spend too much time online?

Um, well, I have to say yes. I mean, I do spend hours on the internet simply because it's a great way to broaden my horizons, and that's why I always find myself addicted to it.

观点 × Social Media

Do you think you spend too much time on social media?

Um, well, I have to say yes. I mean, I do spend hours on different social media platforms, especially Tik Tok and WeChat, simply because it's a great way to stay in touch with friends, and that's why I always find myself obsessed with the updates from those I follow on social media.
